Serial Numbers are identified on the Manufacturing and Inspection Record and/or the Customer Database. These should be referenced in all communication as customer variants, including SM & PN, affect the Product Code reference.

The undersigned, on behalf of Ferno (UK) Ltd, hereby declare that the medical device specified above complies with:

- General Safety and Performance Requirements within *Annex I* of EC Regulation 2017/745,
- BS EN 1865-1 Patient handling equipment used in road ambulances. General stretcher systems and patient handling equipment
- Registered with the UK Competent Authority (MHRA) and additional designated standards referenced to compile the technical documentation detailed in the 'Technical File' as held by the Engineering & Design Manager at the above address.

This declaration is compiled in accordance with *Article 19* and *Annex IV* of EC Regulation 2017/745 and supported by a Quality Management System which has been assessed and approved to BS EN ISO 9001:2015 by ACM-CCAS Quality Assurance assessment services.
